Assessments in a SLD environment

Woodfield Teaching School Alliance is pleased to offer this new course on Assessments, recording and reporting in 'outstanding' special schools

Course Outline

The course will focus on the importance of assessments - what it means to assess without levels. It will explore how learning and curriculum can be created and achieved and the role assessments play. Understanding 'assessments without levels' and the stages of learning.

This course will help teachers give an accurate view of student's learning while reporting assessments and scoring.
