

Emergency First Aid at Work

Woodfield Teaching School Alliance is offering this (QCF) Level 2 in Emergency First Aid at Work for Nominated first aiders in smaller, low risk working environments

Course Outline

The (QCF) Level 2 Award in Emergency First Aid at Work course is regulated by Ofqual and HSE compliant. This one day course is designed for workplaces that present a low risk environment, where a nominated person is required to take responsibility in the event of an illness or accident, and covers a range of first aid incidents, providing the participant with the essential knowledge and skills in effective life support. The Emergency First Aid At Work qualification aims to enable learners to act as a first aider and take charge of the first aid arrangements, including looking after the equipment and facilities, and calling the emergency services when required.
