

Pediatric First Aid

Woodfield Teaching School Alliance is offering this (QCF) Level 3 award in Paediatric First Aid Qualification recommended for teachers/teaching assistants, people working with young children and those working towards an Early Years educator qualification.

Course Outline

This two-day Level 3 award in pediatric first aid focuses on emergency scenarios that face those looking after young children and infants, including day nurseries, private nursery schools, pre-schools, before and after school clubs for children in the early years age group, child minders and carers of children at home.

The pediatric first aid course meets the Ofsted Early Years and Childcare Register requirements.

Practical skills are assessed by continuous observation by the trainer and there is a written assessment paper to check understanding.
