

# Supporting Pupils on the Autistic Spectrum: Exemplar Practice from an Outstanding School

Woodfield Teaching School Alliance is pleased to offer this training in Autism suitable for Teachers and Teaching Assistants and anybody working with children on the Autistic Spectrum

## Course Outline

This programme has been designed to develop a basic understanding of autism and the areas of difficulty with it. Participants will increase their understanding of how autism impacts on an individual. The course gives practical suggestions for practitioners working with pupils on the autistic spectrum.

During the course participants:

- Increase understanding of Autistic Spectrum Condition
- Create an understanding of the characteristics and diagnosis criteria of ASC
- Investigate the causes of 'challenging' behaviour
- Explore ideas and approaches for supporting pupils with autism
- Raise the confidence to develop strategies for supporting pupils with autism
