

Speech and Language Support for 5-11s

A practical training course for staff working in primary and secondary schools to enable them to develop the speech and language skills of ALL children but especially those with speech and language difficulties.

Course Outline

A practical training course for staff working in primary schools to enable them to develop the speech and language skills of ALL children but especially those with speech and language difficulties. It gives practical advice and strategies, which are also suitable for children with English as an additional language and other special educational needs.

Participants can achieve a Level 3 or Level 2 nine credit Award in Knowledge and Practice to Support the Communication skills of 5-11s – both levels are now on the QCF! A portfolio of evidence will need to be submitted.

Outcomes

- Participants will be able to differentiate the curriculum more effectively
- Participants will be able to deal more confidently with children with mild speaking and listening difficulties and know those who would need to be seen by a speech and Language therapist
