

First Aid at Work

Woodfield Teaching School Alliance is offering this (QCF) Level 3 First Aid at Work Qualification

Course Outline

Health and safety legislation places duties on employers for the health and safety of their employees and anyone else on the premises.

This fully comprehensive qualification is designed for people who want to receive the most thorough first aid training based on the HSE training standard for delivery, it is especially suited for nominated workplace first aiders looking to gain comprehensive certified training.

You must attend all three days to be able to receive a certificate.

Learners must be physically able to carry out the practical elements of the course.

Outcomes

- To attain the knowledge, skills, confidence and competencies needed to deal with a range of emergency first aid situations and demonstrate the practical administration of safe, prompt, and effective first aid
- To recognise the need to commence Cardio Pulmonary Resuscitation (CPR)
- To know when and how to use the Automatic defibrillator (AED)
